

Automatic Quote Renewals | Saving You Time For Low-Touch Policy Renewals

We have streamlined our renewal process to improve your experience, making it fast and easy to issue renewal quotes!

Eligible renewal quotes will automatically generate and be delivered to you 90 days out, including a coverage sheet outlining the expiring information and any form changes to the renewal.

Any endorsements processed in Vertafore will automatically sync back to The ONE for renewal quotes. This means renewal quotes for Property, General Liability, and Inland Marine in The ONE will be based on the most current information, reducing the need to recapture midterm policy changes.

This simplified process makes it easy for you on low-touch accounts. Simply review the quote and, if there are no changes, submit it to your customer.
